#### Pendant and floor/table lamps

Spherical elements of different diameters, can be used individually or in combination with each other.

Diffused light, with dimming and colour temperature control available.

The light imperfections of the blown glass spheres represent an added value as they are the authentic look of something made by hand through a production process carried out by masters of the most exclusive craftsmanship. Any slight alterations to the shape, small bubbles, halos or marks on the surface are therefore characteristics that confirm the value and originality of the product and cannot be considered defects

#### Materials

LAMP STRUCTURE: soft touch matt black powder-coated aluminium and brass.

DIFFUSOR: hand-blown opaline-etched Triplex glass.

CONTROL: the dimmer of the pendant lamp is controlled by CASAMBI app, to be downloaded for free from Google Play and App Store. The dimmer of the floor/table lamp is integrated in the power cable.

#### Classification

Class II

#### Protection category

IP20

#### Supply voltage

110÷240V - 50/60 Hz

#### Power supply

AC adapter integrated in the ceiling rose: Output 24 V

#### Light source

LED 16 W (ELE#SN13)

LED 32 W (ELE#SN14)

LED 48 W (ELE#SN11)

LED 80 W (ELE#SN12/ELE#SN05/ELE#SN06/ELE#SN07)

#### Compatible bulbs

-

#### Colour rendering index

CRI 90

#### Dimmer

Included in the ceiling rose and managed by CASAMBI app.
