
B&B Atoll Soft

SOFAS

2021

Antonio Citterio

Description

In line with the concept of continuous growth and evolution, the B&B Atoll collection has been extended with the new B&B Atoll Soft sofa. Alongside the classic version now stands a new version, with even softer shapes and cushions. In terms of appearance, B&B Atoll Soft stands out for its more informal look arising from a more accentuated roundness and bevelled edges, offering a promise of comfort further confirmed by the brand new upholstery.

The height of the feet from ground is 20,5 cm (8 1/8").

Technical information

Internal frame

tubular steel and steel profiles

Internal frame upholstery

flexible cold shaped polyurethane foam, polyester fibre cover

Seat cushion

shaped polyurethane of different density, sterilized down, polyester fibre cover

Back cushion

polyester fibre, cotton cover

Roller

shaped polyurethane, polyester fibre cover

Roller support

die-cast aluminium

Roller webbing

fabric or leather

Support frame

die-cast aluminium

Ferrules

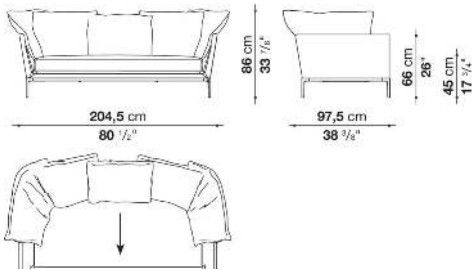

plastic material

Cover

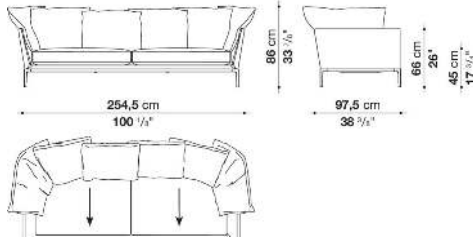

fabric or leather
