
Canasta

SOFAS

2007

Patricia Urquiola

Description

Vienna straw, with its geometric decorative pattern, is the inspiration behind Canasta. Enlarged to macro proportions, the design is applied to chairs with a striking effect. The circular sofa is characterised by ribbons in polyethylene fibre woven on aluminium frame painted with polyester powder to make them weather resistant. Classic in style but with a contemporary sense of plasticity, ideal for use at the edge of a swimming pool or in a luxuriant garden.

Technical information

Frame

aluminium with polyester powder painting

Interlacing

polyethylene fibre

Seat cushion

shaped polyurethane, cover in water repellent polyester fibre

Back cushion

polyester fibre, cover in water repellent polyester fibre

Canopy frame (CN160P1C)

glass fibre

Canopy mechanism (CN160P1C)

electro polished steel, anodized aluminium

Canopy cover (CN160P1C)

Batik fabric

Wheels (CN160P1W)

plastic material, elastomeric polyurethane, electro polished stainless steel pin

Ferrules

thermoplastic material

Waterproof cover cloth

PES fabric coated on one side in PU

Cover

fabric in limited categories
