OUTDOOR SOFA, ARMCHAIR, POUF, BENCH, AND LOW TABLES

Materials

Frame

aluminium frame with outdoor ochre paint finish. Thermoplastic and stainless steel feet.

Shell

honey-coloured dope-dyed extruded PVC weaving.

Seat cushion

water-draining polyurethane foam and polyester wadding, covered with water-repellent polyester cloth. A water-draining canvas is applied to the underside.

Cushion for bench

marine plywood panel, polyurethane foam and polyester wadding, covered with water-repellent polyester cloth. A water-draining canvas is applied to the underside.

Pouf

marine plywood panel, polimex, polyurethane foam and polyester wadding, covered with water-repellent cloth. A water-draining canvas is applied to the underside. Feet made of thermoplastic material.

Cover

removable cover in outdoor fabric.

Stone top

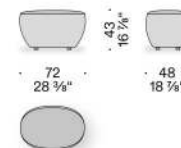

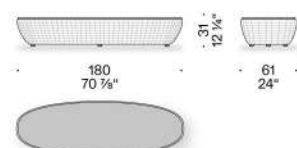

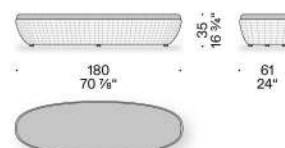

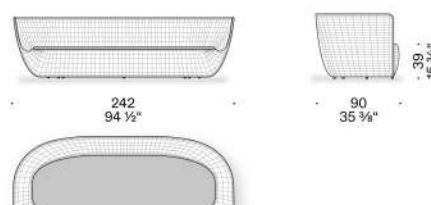

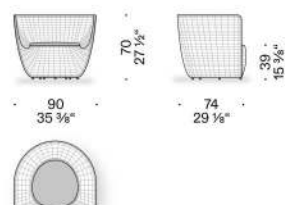

brushed white Pece stone, treated with water repellent products; or red/green/yellow/dark green or black enamelled lava stone.

Scatter cushions

polyester fibres, covered with waterproof polyester cloth.

Protective cover

polyester cover.
