

FOSCARINI

Mite Floor

Marc Sadler

2000

Created to celebrate the 20th Anniversary of the Compasso d'Oro and the iconic and timeless character of Mite. The volume of the lamp is identical to the original, but the carbon thread is thinner and is mounted on a wider spiral that becomes denser as it converges towards the base in Marquifña marble, with an intense black colour crossed by irregular white and pale grey veins. The finish of the lamp body is matte. The lighting part has been completely redesigned for a wider light distribution and a total illumination of the diffuser.

Mite Floor

**Color**

Yellow, Black

Material

Fiber glass fabric with Kevlar® or carbonium thread, nickel-plated metal, steel and aluminium (LED)

Light Source

LED retrofit bulb included E27 18W 2700 K 2452lm CRI >80 Dimmer included
