

Gioia Wall

Andrea Anastasio
2019

A jewel to adorn domestic space. The magic lies in the separation of the parts: a shape in statuary marble placed at the centre of a disk of transparent polymethylmethacrylate. The two materials are joined by a single ring, enhanced by fine craftsmanship. The composition is attached to the wall by a small pin. The two parts, free to move, suggest the wavering rhythm of an earring.

Gioia Media Wall LED

Color

Light blu, Pink, Green

Material

PMMA, marble, polycarbonate, polished brass and coated aluminium

Light Source

LED included 10W 2700 K 790lm CRI >90 Dimmable TRIAC

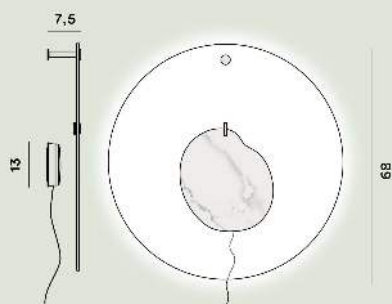

Weight

kg 2,2

Certifications
