

Last Order Fluted

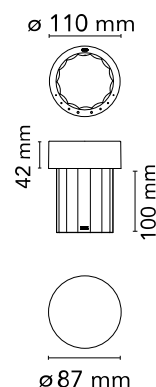

Designed by Michael Anastassiades, 2020

3W - 87lm - 2700K - CRI> 90

Portable table lamp emitting diffused light through a transparent fluted glass base. Top cover in a combination of different metal and colour finishes: stainless steel, brass, satin copper or green opal coating. Houses light source and touch sensor for on/off and dimming. IP55-rated. Stainless steel and Green finishes are suitable for both indoor and outdoor applications, while Copper and brass are recommended for indoor use only. Provides 6 to 24 hours of use. Rechargeable via USB-C. Charger cable not included.

Designed by Michael Anastassiades as a contemporary reinterpretation of traditional forms, Last Order draws inspiration from the classical shape of ancient columns, seamlessly blending historical references with modern technology. The current design evolved from a table lamp originally created for the new Four Seasons restaurant in New York City, which reopened in 2018 with interiors by São Paulo-based architect Isay Weinfeld.
